www.trilogyschool.com

Dear Trilogy Parents,

We wanted to give all our parents an opportunity to enroll in Trilogy's summer school program. We will have three hours of instruction: 8:30-11:30 for Reading, Writing, and Math, as well as Boost Classes to fill in gaps for middle and high school students. Summer school focuses on building skills and making learning enjoyable with no homework, small classes, and Fun Fridays. We also offer Credit Recovery Courses.

We are attaching the Summer School Packet for your review. It contains all the information you need to apply. Our summer school experience is very similar to our program during the year, so students will be familiar with the routines and teachers.

Please contact me if you have any questions. My email is bsmith@trilogyschool.com. I will be the Director of Summer School this year and look forward to working with the students.

Sincerely,

Baxter Smith

Director of Summer School

Admissions Director

Trilogy Summer School- 2024

Philosophy of The Trilogy School:

- To provide specialized instruction in a small group setting for students who have learning differences with/without ADHD in second through twelfth grade
- To give students individualized study skills, compensatory strategies, and organizational techniques
- To foster students' ability to achieve mastery learning in all curriculum areas and gain confidence in their academic endeavors, enabling them to return to the regular setting if appropriate

The mission of the Summer School Program:

- To remediate/enrich reading, writing, and math skills
- To maintain continuity of skills throughout the summer
- To build self-confidence in individual abilities
- To ensure reading, writing, and math readiness for the next level

Curriculum:

- Each student will take reading, writing, and math and will be grouped by age and grade level.
- Assessments and objectives will be designed for each student.
- Class size: four to five students

- Reading Program will incorporate:
 - Phonemic-based skill-building and awareness
 - Development of auditory processing skills
 - Individualized supplemental reading program
 - Critical thinking/comprehension skills
 - Fluency in reading performance
- Writing Program will incorporate:
 - Creative writing
 - Expository writing: sentences, paragraphs, essays
 - Vocabulary development and grammar
 - Spelling/phonics
- Math Program will incorporate:
 - Individualized development of basic math skills
 - Computation and problem-solving

Faculty: Baxter Smith, Summer School Director/Admissions Director

All faculty are trained to teach students in a variety of areas with diverse educational needs
8:30-11:30 daily

Dates: June 24-July 26 (except July 4) **Cost:** \$2,500

Features:

- No homework
- Fun Fridays (special activity during break)
- Progress report at the end of the session
- Awards Day on the last day

Application Procedure:

- Send in preliminary application
- Testing and complete application within two weeks of preliminary application
- Admission decisions made on an ongoing basis
- Confirmation from parents and a \$500 non-refundable deposit due within a week after acceptance

The Trilogy School was founded in 1999 by Laura Wyatt, PhD. and Judy Williams, M.A.T., M.S.A.
